Name: _____ Email: _____

1. **The suggested way to avoid a problem is:**
 - a. Stay home
 - b. Don't be alone with children or youth
 - c. Make all parents stay during class/event

2. **What if I don't want to do a background check?**
 - a. That's not an option. All volunteers having contact with children/youth must be Safe Sanctuary certified.
 - b. Enter the witness protection program, and we'll never know the difference.
 - c. Refuse to fill out a background check.

3. **Is it okay to change diapers on infants?**
 - a. Yes, just do it out in the open.
 - b. No. Parents have to change their own children.
 - c. No. All children with wet diapers should be sent to the church nursery.

4. **Is it okay to hug other people?**
 - a. No. We don't believe in physical contact.
 - b. Yes. Hugs are required.
 - c. Yes, but take into account the child's age. For older children/youth, a side-to-side hug is more appropriate.

5. **What if the fire alarm goes off?**
 - a. Just stay in your room until someone tells you there is really a fire.
 - b. Evacuate immediately.
 - c. Send a kid to see what's going on.

6. **In your interactions with others...**
 - a. It's not the intent that matters but how it is perceived.
 - b. Only talk to others if a second person is present.
 - c. Try to avoid interactions with persons of the opposite sex.

7. **In three of the slides there was a small picture of:**
 - a. A purple kitten.
 - b. A hot dog with chili and cheese.
 - c. A blue frog.

8. **If contacted by the media regarding an incident you should:**
 - a. Refer all questions to Amy Madrid or designated church contact.
 - b. Hang up immediately, then call the church.
 - c. Go ahead and talk freely.

9. **Safe Sanctuary can best be summed up by saying...**
 - a. Try to never be alone with a child or a youth. If you must be alone, use common sense with your interactions.
 - b. Trust no one! Adopt a cat or a dog instead.
 - c. Always carry band-aids and an ice pack. Safety first!

10. **In a medical emergency you should:**
 - a. Call 911 if needed. You don't have to wait for permission!
 - b. Gather all the children and leave immediately, then send someone back for the injured person.
