

Preschool New Student Lottery Information

February 2024

We are excited to announce our Fall 2024 registration process. We will be using a lottery process for new families registering for First Methodist Forney preschool for Fall 2024. In the past, families have enrolled on a first come first-serve basis. Over the last several years, more and more families were “camping out” the night before to be first in line. This is certainly not the first impression or experience we want for our families. Safety is our #1 priority!

The lottery process creates a more convenient and equitable registration system for all our new families.

New Student Lottery: families interested in registering for preschool need to:

1. Complete the preschool lottery form. Be sure to include your top three choices of classes and days.
2. Email Registration form to amy@firstmethodistforney.org, from March 18th - March 21st no later than midnight on the 21st. Put in email Subject line: Preschool Registration 2024. You will receive an email once we receive your lottery form and a lottery number has been assigned. (Forms outside of these dates will not be accepted)
3. Each family will be assigned one random lottery number. Numbers will be drawn at 9:15am, March 22, 2024. Families will be notified via email of a class placement or waitlist number the week of March 25th.

Registration process (ONLY if selected in lottery):

1. You will be emailed an invitation to Lillio (formerly Himama) our communication app. we use for preschool information and invoicing. Please download app and register.
2. You will be sent an email from First Methodist Forney directing you to fill out a registration form through Lillio (formerly Himama) Form DUE no later than APRIL 2nd.
2. Pay registration fee of \$200 per family
3. Pay supply fee of \$75 for 2-day classes or \$150 for 4-day classes for each child registered.
4. All registration fees and supply fees must be paid in preschool office by check or money order no later than APRIL 2nd.

Please note a student’s enrollment is not complete until all the steps above are complete. All steps need to be completed by April 2nd.

If you have any questions about the lottery process, or to schedule tours, please contact the preschool office M-TH 9am -3pm at 972-552-3015

There are no fees required for your child to be added to the waitlist.
